

# LASER TREATMENT AFTERCARE

---

Please contact us with any concerns

---

DO

Expect skin to feel very warm for 1-2 hours immediately after treatment, and up to 24 hours post treatment

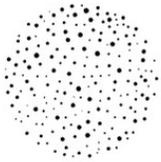

DO

Do expect redness and swelling immediately after treatment

DO

Do apply cold compress or mineral water spray for comfort and keep skin moisturized

DO

Expect MENDs to appear 2-3 days post treatment. These look like tiny dark dots on the surface of the skin, and feel rough like sandpaper

---

DON'T

Rub or vigorously wash face for 3 days. Do not peel or pick skin if it begins to flake.

DON'T

Go in the sun for 24 hours

DON'T

Exercise for 12 hours

DON'T

Apply makeup for 4 hours
